SoRTES Project Evaluation Plan

Ashok Thangarajan, Stefanos Peros and Emekcan Aras

DistriNet

Submission

› Submit the solutions to stefanos.peros@kuleuven.be

› Submission deadline: Thursday 3 December 2020, at 23:59

› Submission details (follow instructions in the assignment):

›› The e-mail should have the correct subject

›› The submission package name should be correct

DistriNet

Planning

- › Demonstration: 9-11 December

- › Total of 33 students:

  - ›› 15 minutes per student

  - ›› Evaluation is spread over three days (9, 10 and 11 December)

  - ›› 9-Dec: 2:30pm – 4:30pm

  - ›› 10-Dec: 9:00am to 1:00pm

  - ›› 11-Dec: 9:00am to 1:00pm

- › Doodle will be sent out for slot selection

DistriNet

Demonstration

› Evaluation will be organized via Blackboard Collaborator*

› Split into three tasks

›› Session initiation and questions

›› Check the power numbers and beacons

›› Document review and marking

› We will have a set up here, where we will run the code you have submitted

› You will be online sharing your screen (code in Arduino IDE), explaining and answering questions

*If there are changes, we will inform you in Toledo

DistriNet
